Behold the genesis of the crowned fiend  
From the middle sea to Babylon's zenth  
Wrath times seven, annul the plagues  
Perpetual supremacy of demonic hate  
Avalanche of liquid fire  
Volcano of blood ( from the earth) burst  
The rivers shall dry and man will die  
The deceiver god quenches his thirst

[Bridge]

To the realm of the beast dwelling  
To the throne of the horned one  
To those who wear his mark  
To those who seed the blood of saints

[Chorus]

Seven sins, vengeance from the Deep  
Shrivel the feeble righteous creed  
Overtune the curse - RETALIATE  
The Seven Plagues are conquered by hate

[Solo: N. Daemon]

"Seven Plagues, Seven Wraths... XES Revelation."

[Lead: Nornagest]

Eradicate the false dogma  
Never again shall we subject to lies  
The sea of blood, the burning sun  
Hunt the feeble, DEFY THE DECIEVER

Repent and pledge allegiance to the beast  
(or: Repent and followe the beast)  
Ordained to rapture, black doctrine  
Never forget the fiendish might  
Everlasting Evil Ecstasy  
Drawy the chosen to molest the holy  
LAMENT NOT the feeble sheep  
Annihilate the Seven Angels

WAGE WAR let tehe holy weep

[Repeat Chorus]

[Solo: Nornagest]
