Separatists, extremists, Flemish-nationalists,
Fucking racists, national-socialists, negationists,
Revisionists, antisemitists, ...

WeÂ'll kill em all
As we fight
UNDER THE TRICOLOR BANNER OF HELL
WeÂ'll win this war
We know we are right
AND SO IS THE TRICOLOR BANNER OF HELL

Mes fr?res flamand!
Mijn Vlaanmse broeders!
My Flemish Brothers!
United Forever!
United As one!
UNDER THE TRICOLOR BANNER OF HELL
UNDER THE TRICOLOR BANNER OF HELL
UNDER THE TRICOLOR BANNER OF HELL
For VAN SAKSEN and his pride!
