[1st Verse]

For all tortured soul down there. Listen.....I m the
satanic spirit who
commands all the Romans the oruel ones to crucify the
bastard christ. when
the eagle of Rome perscute god's children, I had drunk
their blood and raped
their daughters.

For all tortured soul down there. Listen.....I m the
hatred who to the
slaves of evil teh blind ones to crush the holy son when
the industries of
inferno burnt teh children of god. I had breath their
ashes and crush the
holy son when the industries of inferno burnt the
children of god, I had
breath their ashes and vomit war out.

[CHORUS:]

volkermord, antigott !
volkermord, antigott !
volkermord, antigott !
volkermord, antigott !
volkermord, antigott !

I m the invincible force who command to your leaders,
the unholy ones who
shall set the world on fire, when the nuclear sword rape
the earth from part

to part. I shall set the flames of impurity and small the
stench.....Of
thousand million martyrs their ashes shall be blast by
the storm to form
black cloud and cover the sun.
A dead cloud planet is all that shall remains and let my
spirit free
forever.

[CHORUS:]

volkermord, antigott !
volkermord, antigott !
volkermord, antigott !
volkermord, antigott !
volkermord, antigott !
