i've distorted my flesh... I've open my veins. the twisted  
joy of my acts  
are exalting my sense.  
for tonight i meet my father SATAN...  
Shall i stop or shall i purchase??? Kiss me deeply my  
blade!!!  
For Shall i weep but before my arms full of blood i shall  
distort my penis  
and open thy legs OH!!  
My bride gave me my new born messiah son for i must  
burn him now, should i  
wait a bit more...

[CHORUS:]

Burn!!! Baby Burn!!!

Burn!!! Baby Burn!!!

[lead by nornagest]

Burn!!! Baby Burn!!!

WRAPPED IN FIRE!!!!

Now the almighty hellfire unleashed upon mankind, the  
new born holy sons  
will be consumed alive  
into a black coffin, and all humanity shall fade away...  
Alea jecta est ad  
limina apostolorum...  
BURN !!!!!!!!!!!  
Ashes of the world, dust of holy angels fade on the  
light forever...

Mors ultima ratio lex, est quo notamus ad majorem  
SATANAE gloriam... BURN!!!!!!!!!!

I can feel the hatred, the fire burns inside my heart  
Incinerated bodies, that burning smell excite me so  
much... BURN !!!

There's not enough humans to satisfy my pyrodesires,  
kiss me deeply my  
blade. For I Shall weep  
but before i go my arms full of blood.  
I SHALL BURN !!!!!!!

WRAPPED IN FIRE... WRAPPED IN FIRE... WRAPPED IN  
FIRE...

[repeat chorus]

Alea jecta...ad majorem SATANAE gloriam...
