Drinking blood
A red delightful bloody power
My fatal bite
The art of the blackest hour

I suck your blood
An immense everlasting lust
Morning grows
The sun burns me to dust

Your beating heart
Gives the flow
In my high
I will let you go

Red pulsing rivers
To me from you
But when I'm there
You are through

A vampire
Blood desire
Gets me higher
Unquenchable fire

Revel in blood
Under the moon
Give me your blood
It is my doom

It's a power beyond belief
Beyond pain
My life's a stream
Inside your vein

Vampire
Blood desire
Gets me higher
Unquenchable fire

I suck your blood
I suck your blood

I suck your blood
I fuck your blood
