Bursting out

I'm a son of a bitch, ready to stitch  
You mothers not ready to rock  
I've shed all my tears and ain't got no fears  
And the key to my heart bears no lock

Hell has granted me three wishes  
Life, death, immortality  
I will ride the wings of darkness  
Fuck your Blessed Trinity

'Coz I'm bursting, I'm bursting out  
'Coz I'm bursting, I'm bursting out

I'm a bastard and brave, I'm nobody's slave  
I'm telling you once and for all  
Breaking the laws 'coz I know the score  
Waiting on nobody's call, nobody's call

Hell has granted me three wishes  
Life, death, immortality  
I will ride the wings of darkness  
Fuck your Blessed Trinity

'Coz I'm bursting, I'm bursting out  
'Coz I'm bursting, I'm bursting out

Let's burst right out of here  
Let's go  
Let's burst right out of here
