Say, I didn't have what it'd take  
I sure showed them  
How much difference  
One man can make

Say, I didn't have what it'd take  
Now, they all bow  
The ones that laughed then  
They don't laugh now

You will find hell with me  
For all eternity

Laugh at me to my face  
I keep the ratings up  
I am alive  
You won't let me stop

Laugh at me to my face  
Look at you now  
I'm God on TV  
You bow, bow, bow

You will find death with me, infernal  
I can take it all away  
You will find hell with me, eternal

God had a smile on His face  
When He made me  
Put me on top of His grace  
I'm a king now, bow for me

So, now that you know  
Who I am  
Don't get me wrong  
I give a damn

You live or die  
Could not care less  
Sell your soul  
And say, "God bless"

You will find hell with me, infernal  
I can take it all away  
You will find death with me, eternal

God had a smile on His face  
When He made me  
Put me on top of His grace  
I'm a king now

God had a smile on His face  
When He made me  
Put me on top of His grace  
I'm the king, bow for me

Ministry, bow for me, ministry
