Tonight "Night Of The Vampire" is the night of the vampire  
Tonight "Night Of The Vampire" is the night of the vampire

If it's raining and you're running don't  
Slip in mud cos... if you do, you'll  
Slip in blood tonight  
Is the night of the vampire  
Tonight "Night Of The Vampire" is the night of the vampire  
The moon may be full  
The moon may be white  
All i know is you will feel his bite tonight  
Is the night of the vampire

He comes from Transylvania (?)  
On St Swithens day he was born  
I stand in the darkness with no-one

Makes his by turns (?)

Tonight "Night Of The Vampire" is the night of the vampire  
Tonight "Night Of The Vampire" is the night of the vampire

Never sleeps in the night  
Comes out when the moon is bright "Night Of The Vampire" tonight

Is the night of the vampire
