Selling sin is easy  
Tainted empty V  
Your eyes are heavy  
By the things you see

An uncontrolled addiction  
You're all hooked up  
A lost generation that's all corrupt

Why don't you know  
That you're all being sold  
Chased out of heaven  
Down into the hole  
You don't know

Life it ain't that easy  
Living on your knees  
Your eyes been blinded  
Doing everything to please

Empty V religion  
Requires no response  
It makes up your opinion  
More than once

Are you really for sale?  
You have not yet failed

Why don't you know  
That you're all being sold  
Chased out of heaven  
Down into the hole  
You don't know

Charismatic selflessness  
Fall out of your role  
You don't know  
Check out your colors  
In your feeding frenzy soul

All hooked up  
Drifting out of focus

In and out of control

All corrupt  
Check from heaven  
Now feeding the hole  
No response

Are you really for sale?  
You have not yet failed

Charismatic selflessness  
Fall out of your role  
You don't know  
Check out your colors  
In your feeding frenzy soul

All corrupt  
Drifting out of focus  
In and out of control  
No response

Check from heaven  
Now feeding the hole  
Copy imitate mechanical  
No heart fall in, don't stand out  
Machinery sell-out
