

Entombed "What You Need"

Pleasure through comparison
never out of debts
inflatable relationships
and electronic pets
what ever you desire
just let it bleed
a new pair of everything's
what you need
pleasure trough comparison
never mind the past
same script now as it was then
it's just a different cast
what ever you desire
just let it bleed
a new pair of everything's
what you need

damned if you do
damned if you don't
damned if you try
and if you won't
damned if you stand
damned if you kneel
damned if you don't
have the sex-appeal
what ever you desire
just let it bleed
a new pair of everything's
what you need
