Young man, atheist  
There's someone there  
You can't see in lights  
Young man, Naturalist  
Your eyes are heavy  
From sleepless nights

Feed the conflict into your head

Young man, atlas  
There are places  
Without ground of reality  
Young man nihilist  
Dematerialize  
The prediction of insanity

Just feed the conflict into your head

Freedom is just a state of mind  
Asleep with dead eyes open  
Affraid to put the words onto paper  
Affraid of the gates  
About to crack open

Man, it's about time to let your spirit pass thru  
Are you north or south bound?  
It's all up to you  
It's so up to you

Just feed the conflict into your head

Freedom is just a state of mind  
Asleep with dead eyes open  
Affraid to put the words onto paper  
Affraid of the gates  
About to crack open

Man, it's about time to let your spirit pass thru  
Are you north or south bound?  
It's all up to you  
It's so up to you
