Hi-gh
Hi-gh

World of thoughts it's an endless space
And sometimes even underground
Helpless in the human race
And hopeless when the sun goes down

If you give me a load
If you give me it all
I promise the world I can make it
One thing I know
If you leave me alone
I'm stoned

Hi-gh

All around temptation calling to me
Calls me by my name
Darling tasting your sweet apples
More temptating than cocaine

If you give me a load
If you give me it all
I promise the world I can make it
One thing I know

If you leave me alone
I'm stoned

(Guitar solo)

People all around me seem to bluff to get me
On the thing
Hope my darling you could save
Take me home
I'll be a king

If you give me a load
If you give me it all
I promise the world I can make it
One thing I know

If you leave me alone
I'm stoned

If you give me a load
If you give me it all
I promise the world I can make it
One thing I know
If you leave me alone
I'm stoned

(Guitar solo)
