Hope is your survival
A captive path I lead

No matter where you go
I will find you
If it takes a long long time
No matter where you go
I will find you
If it takes a thousand years

Nachgochema
Anetaha
Anachemowagan

No matter where you go
I will find you
In the place with no frontiers
No matter where you go
I will find you
If it takes a thousand years

Hale w yu ga I sv
Do na dio sv I
Wi ja lo sv
Ha le w yu
Do na dlo sv

No matter where you go
I will find you
If it takes a long long time
No matter where you go
I will find you
If it takes a thousand years

No matter where you go
I will find you
In the place with no frontiers
No matter where you go
I will find you
If it takes a thousand years

No matter where you go

I will find you
