"If I Could Be Where You Are"

Lyrics written by Roma Ryan

Where are you this moment?

Only in my dreams.

You're missing, but you're always

A heartbeat from me.

I'm lost now without you,

I don't know where you are.

I keep watching, I keep hoping,

But time keeps us apart

[chorus]

Is there a way I can find you,

Is there a sign I should know,

Is there a road I could follow,

To bring you back home?

Winter lies before me

Now you're so far away

In the darkness of my dreaming

The light of you will stay

If I could be close beside you

If I could be where you are

If I could reach out and touch you

And bring you back home

Is there a way I can find you,

Is there a sign I should know,

Is there a road I could follow,

To bring you back home to me
