My! My! Time flies! One step and we're on the moon,  
next step into the stars  
My! My! Time flies! Maybe we could be there soon, a  
one way ticket to mars

My! My! Time flies! A man underneath a tree, an apple  
falls on his head  
my my time flies a man wrote a symphony, it's 1812

My! My! Time flies! Four guys across abbey road, one  
forgot to wear shoes

My! My! Time flies! A rap on a rhapsody, a king who's  
still in the news, a king to sing you the blues

My! My! Time flies! A man in a winter sleigh, white  
white white as the snow  
My! My! Time flies! A new day is on its way, so let's let  
yesterday go  
Could be we step out again  
Could be tomorrow but then,  
could be 2010
