English translation:  
Silent night, night of God's son  
Everyone is asleep, the pair together  
The most faithful pair watching with hope  
A little baby, a mild and gentle child  
Christ, calmly asleep  
Christ, calmly asleep

Silent night, night of God's son  
Shepherds were first to hear the tale  
The angels crying out Alleluia  
Lovely chanting, near and far  
Christ, the savior himself  
Christ, the savior himself

Silent night, night of God's son  
Everyone is asleep, the pair together  
The most faithful pair watching with hope  
A little baby, a mild and gentle child  
Christ, calmly asleep

Christ, calmly asleep
