"Paint The Sky With Stars"

Suddenly before my eyes
Hues of indigo arise
With them how my spirit sighs
Paint the sky with stars
Only night will ever know
Why the heavens never show
All the dreams there are to know
Paint the sky with stars
Who has paced the midnight sky?
So a spirit has to fly
As the heavens seem so far
Now who will paint the midnight star?
Night has brought to those who sleep
Only dreams they cannot keep
I have legends in the deep

Paint the sky with stars
Who has paced the midnight sky?
So a spirit has to fly
As the heavens seem so far
Now who will paint the midnight star?
Place a name upon the night
One to set your heart alight
And to make the darkness bright
Paint the sky with stars.
