Summer. When the day is over
there's a heart a little colder;
someone said goodbye,
but you don't know why.
Somewhere there is someone keeping
all the tears they have been weeping,
someone said goodbye,
but you don't know why.

Is there a reason
why a broken heart begins to cry?
Is there a reason
you were lost although you don't know why?
Give me a reason
why you never want to say goodbye.
If there's a reason,
I don't know why.

Always looking for a meaning,
all the time you keep believing,
but I don't know why
you won't say goodbye.
Even when the sun is shining

you don't see the silver lining,
but I don't know why
you won't say goodbye.

Is there a reason
why a broken dream can never fly?
Is there a reason
you believe and then you close your eyes?
Give me a reason
why you hide away so much inside.
If there's a reason,
I don't know why.

Is there a reason
why a broken heart begins to cry?
Is there a reason
you were lost although you don't know why?
Give me a reason

why you never want to say goodbye.
If there's a reason
I don't know why.
I don't know why.
I don't know why.
I don't know why.
