Translation by Fidelma McGinn.  
Storms in Africa (Part II)

Though I walk through  
warm sands in Africa  
winds will grow soon  
to storms in Africa.

How far to go  
I cannot say.  
How many more  
will journey this way?

Dark skies fall on  
black earth and ivory.  
Far from your sun  
clouds now close over me.

How far to go  
I cannot say.  
How many more  
will journey this way?

Storms have come!  
rains wash the earth away  
Dark skies fall down  
into another day.  
Rains have now come  
from storms in Africa  
Time will go on  
through Storms in Africa
