When tears are in your eyes  
It's time to look inside  
Your heart can find another way

Believe in what I say  
Don't throw this time away  
Tomorrow will be Christmas Day

(chanting)

Christmas Day...

So let the shadows go  
And drift away like snow

Tomorrow will be Christmas Day  
Tomorrow will be Christmas Day

(chanting)

Christmas Day...

So dream until the night,  
Becomes the morning light  
Tomorrow will be Christmas Day  
Tomorrow will be Christmas Day
