City Streets passing by,
Underneath stormy skies.

Neon signs in the night,
Red and blue city lights.
Cargo trains rolling by,
Once again someone cries.

Trains and winter rains,
No going back, No going home.
Trains across the plains,
And in the sky, the star alone.

Everytime, it's the same.
One more night, one more train.
Everywhere empty roads,
Where they go, no-one knows.

Trains and winter rains,
No going back, No going home.
Trains across the plains,
And in the sky, the star alone.

Trains and winter rains,
No going back, No going home.
Trains across the plains,
And in the sky, the star alone.

Trains and winter rains,
No going back, No going home.
Trains across the plains,
And in the sky, the star alone.
