North American girls
South American girls
Australian girls
I love African girls
European Girls
All the Asian girls
Antartican girls
All the girls in the world

Girls (5x) foxy
Girls (5x) sexy
Girls (5x) even ugly
Girls (5x) owww

She got an electronic flavor
That will shock you
High voltage
High dosage
She's like a drug
I just can't get enough of these

Girls (5x) foxy
Girls (5x) sexy
Girls (5x) even ugly
Girls (5x) owww

I want you baby
I want you baby
I want you baby
Right now
I want you baby
I want you baby
I want you baby
Owwwww

North American girls
South American girls
Australian girls
I love African girls
European girls
All the Asian girls
Antartican girls

All the girls in the world

Such a pretty flower
Let me pick you
From your garden
Lemm kiss you
Poison ivy
Ooh you burn me
Posion ivy
You burn me
You are a rose
I feel your thorns
The only angel
Born with horns
A love letter
You leave me torn
You kill me softly
Let us mourn

Girls (5x) foxy
Girls (5x) sexy
Girls (5x) even ugly
Girls (5x) owww

North American girls
South American girls
Australian girls
I love African girls
European girls
All the Asian girls
Antartican girls
All the girls on the world

Girls I love all of them
Girls I need all of them
Girls I want all of them
Loving me I love them
(2x)

North American girls
South American girls
Australian girls
I love African girls
European girls
All the Asian girls
Antartican girls
All the girls in the world
