Just another day  
another day in the hood  
Well its just another day  
Another day in the neighborhood

I walked out the front door  
With my guitar in hand  
I gotta go meet the band  
I gotta go meet the man  
I was mugged on the way  
They took all my money  
God come and take me away hey hey hey  
I got this damn bloody nose  
How will I get these hoes i  
I feel nobody knows what I'm going through

Just another day  
Another day in the hood  
Well its just another day  
Another day in the hood

When I got home that night  
What I saw in my sight  
It was an eviction note  
And I'm broke as a joke oh oh oh  
I got nowhere to go  
Except to live with the folks  
I'm 26 years old  
I feel nobody knows what I'm going through

Just another day  
Another day in the hood  
Well its just another day  
Another day in the neighborhood

So I went to go start my car  
It was out of gas wouldn't take me far  
I had to push it down a couple blocks  
Til I got rolled on by the cops for expired tags  
And they found my stash underneath my seat an entire  
bag  
They got me hemmed up and misunderstood

Its just another day  
Another day in the neighborhood

Just another day  
Another day in the hood  
Well its just another day  
Another day in the neighborhood

I feel nobody knows what I'm going through  
I feel nobody knows what I'm going through
