Adrenalin pumping  
I sense danger on this path  
I can feel something  
is there a stranger in the grass?  
why you wanna hurt me?  
why you wanna kill me?  
im just an innocent man  
why you wanna hurt me?  
why you wanna kill me?  
im just an innocent man

Love is like war  
Love is like war  
what the hell are we fighting for?  
Love is like war  
Love is like war  
I dont wanna fight you anymore

You put a bullet through my heart on the night you  
walked away from me  
You put a bullet through my heart now I wake up  
everyday to rain  
I see the sunlight peeking through the storm  
brighter days when your in my arms  
so come  
with me  
be free  
Love is like war

Love is like war  
Love is like war  
what the hell are we fighting for?  
Love is like war  
Love is like war  
I dont wanna fight you anymore

Put your weapon down  
put your weapon down  
why you wanna put me in the ground?  
put your weapon down  
put your weapon down  
your killing me with out a sound

love is war love is war  
and im hurting  
im hurting inside  
love is war love is war  
and im certain  
calling it curtains tonight tonight tonight

Love is like war  
Love is like war  
what the hell are we fighting for?  
Love is like war  
Love is like war  
I dont wanna fight you anymore

i dont have fortunes of the future  
you must be mistaken if you think your gonna be  
battling me  
love is a war and I might shoot you  
love is a blindfold and I keep it covered under the  
sheets

Love is like war  
Love is like war  
what the hell are we fighting for?  
Love is like war  
Love is like war  
I dont wanna fight you anymore Love is like war  
Love is like war  
what the hell are we fighting for?  
Love is like war  
Love is like war  
I dont wanna fight you anymore
