Down a lonely road
Don't know where it goes
Did I see a ghost
Did I overdose
Frozen I'm frozen in time
Frozen I'm frozen in time
A prisoner of war
Shakled in chains
I can't escape I can't escape no
I try to find away
I cannot get away
Get away
Nooooooo

I fight all day all night and try to get the demons out my
life and find my moment of clarity (4x)

I hear it call my name
In the pouring rain
Lightning strikes again
Rushes through my veins
Frozen frozen in time
I'm frozen frozen in time
There's a monster in my room
Eating me alive
I don't wanna die don't wanna die nooo
I try to make a dash
It keeps pulling me back
Nooooooo

I fight all day all night and try to get the demons out my
life
And find my moment of clarity (4x)
