Greetings earthlings take me to your women  
Check out my spaceship windows tinted  
I came a long way from another galaxy  
And magically all these haters mad @ me  
Yo scotty boy beam me down  
Lemme show them the future sound  
Roll the trees up burn them to the ground  
And take a ride right thru the town

Get into my ship ship  
C'mon take a trip trip  
Petal to the floor floor  
And we out in my ufo o o o o

Check out my space boots I got them on bargain  
I beg yo pardon I only speak martian  
I'm spaced out and out of this world  
Konichiwa what's good with u girl  
Hey miss lets fly in my spaceship  
turn up the volume feel when the base hit  
I'm finna take u on the ride of yo lifetime  
And we'll be back by the end of the night time

Get into my ship ship  
C'mon take a trip trip  
Petal to the floor floor  
And we out in my Ufo o o o o

Don't stop make the planet rock  
10.9.8.7.6.5.4.3.2.1  
Blast off

Its the e n z to the y m e  
Dynamite and that be me  
And I hold it down for the galaxy of the milky way  
Or should I say Milky Bay area  
northern california  
Put yo hands up high and make them wave  
I'm taking yall up to outer space

Get into my ship ship  
C'mon take a trip trip

Petal to the floor floor  
And we out in my ufo o o o o
