Iâve kissed the moon a million times  
danced with angels in the sky  
Iâve seen snowfall in the summertime  
Felt the healing of the powers above

Iâve seen the world from the highest mountain  
Tasted love from the purest fountain  
Iâve seen lips that spark desire  
Felt the butterflies a hundred times

I've even seen miracles  
Iâve felt the pain disappear  
But still havenât seen anything  
That amazes me quite like you do

Chorus:

You bring me up when Iâm feeling down  
You touch me deep you touch me right  
You do the things Iâve never done  
You make me wicked you make me wild  
Cause baby youâre my #1

Iâve sailed in a perfect dream  
Iâve seen the sun make love to the sea  
Iâve kissed the moon a million times  
Danced with angels in the sky

Iâve even seen miracles  
Iâve seen the tears disappear  
But still havenât seen anything  
That amazes me quite like you do

Chorus 2x
