I was her she was me
We were one we were free
And if there's somebody calling me on
She's the one
If there's somebody calling me on
She's the one
We were young we were wrong
We were fine all along
If there's somebody calling me on
She's the one
When you get to where you wanna go
And you know the things you wanna know
You're smiling
When you said what you wanna say
And you know the way you wanna play it
You'll be so high you'll be flying

Though the sea will be strong
Cos I know we'll carry on
If there's somebody calling me on
She's the one
Cos if there's somebody calling me on
She's the one

When you get to where you wanna go
And you know the things you wanna know
You're smiling

When you said what you wanna say
And you know the way you wanna say it
You'll be so high you'll be flying

I was her she was me
We were one we were free
If there's somebody calling me on
She's the one
If there's somebody calling me on
She's the one

If there's somebody calling me on
She's the one
Yeah she's the one

If there's somebody calling me on
She's the one
She's the one

If there's somebody calling me on
She's the one
