Buckle down, Winsocki, buckle down  
You can win, Winsocki, if you knuckle down  
If you break their necks, if you make them wrecks  
You can break the hex, so buckle down

Make 'em yell, Winsocki, make 'em yell  
You can win, Winsocki, if you give 'em hell  
If you don't give in, take it on the chin  
You are bound to win, if you will only buckle down

Buckle down, Winsocki, buckle down  
You can win, Winsocki, if you knuckle down  
If you break their necks, if you make them wrecks  
You can break the hex, so buckle down

Make 'em yell, Winsocki, make 'em yell  
You can win, Winsocki, if you give 'em hell  
If you don't give in, take it on the chin  
You are bound to win, if you will only buckle down  
Buckle down, buckle down, buckle down
