(Walter Hirsch, Fred Rose)

Do I want you?
Oh my do I
Honey, indeed I do

Do I need you?
Oh my do I
Honey, 'deed I do

I'm glad that I'm the one who found you
That's why I'm always hanging around you

Do I love you?
Oh my do I
Honey, 'deed I do

I'm glad that I'm the one who found you
That's why I'm always hanging 'round, hanging around
you

Do I need you?
Oh my do I
Honey
Honey, do I love you?
'deed I do
