(Burton Lane/Frank Loesser)

I hear music
Mighty mighty pretty music
The murmur of the morning breeze up there
The rattle of the milkman on the stair
Sure that's music
Mighty mighty pretty music
The singing of a sparrow in the sky
The perking of the coffee right near by
That's my favourite melody
You my angel, phoning me
I hear music
Mighty mighty fine music
And anytime I think my world is wrong
I get me out of bed and sing this song

I hear music
Mighty mighty pretty music
The murmur of the morning breeze up there
The rattle of the milkman on the stair
Sure that's music
Mighty mighty pretty music
The singing of a sparrow in the sky
The perking of the coffee right near by
That's my favourite melody
You my angel, phoning me
I hear music
Mighty mighty pretty music
And anytime I think my world is wrong
I get me out of bed and sing pretty music
Pretty pretty music
Get me out of bed & sing all day long
Pretty pretty music
