Lemonade was a popular drink and it still is  
I'm filling up with the juice, grab a proof  
Be stepping hot as it's the truth  
Then my blues be propping off in my what, to what?  
10 minutes... said I be popping off, illuminary with them  
blueberry rocks  
I got them blueberry chucks, chuck berry socks  
Need a cherry drop, the cranberry scotch  
Chain of blue scot, it ain't money when I cruise by  
Chain corking on the freaks, stay walking  
I'm a too fly nigga, suit tie nigga, choose wise, match  
like  
Lighters ain't little, had a tutu hot  
I was the new nigga and now I'm too ties daily  
Day and night, baby sitting, is it just me  
Fitting like plush zigz biggy, just be kinda like  
Just plays nigga, get your roof paused, out of my sheet  
coke  
Blu, past tense for the bip thoughts, biatch!  
Lemonade was a popular drink and it still is

I'm talking about trips, lidies on the walls with bottles to  
pop  
Pimp shit up in my whip, and models the amount of  
money  
Falling out of my pockets  
It's like hey, hood heavy with the chevy white walls  
I'm a... all the money in the stars and the sky falling  
Big bosses run shit, why try crawling  
I was 5 walking out of my mind into this real world  
One hand open tryina feel for  
Notorious deals, the film's foreign  
Built for the love, but the realest still storm  
Quarter mills make you wonder what kind of mills  
fulfilled  
I want the answer on the plate with the bill too  
I'm spilling loot out of my misery like champagne  
Still into with the ladder to do the damn thing  
Step your man's game up, the man's way up  
Roll that drove in the bill, blaze one for the  
Lemonade was a popular drink and it still is

Sauce, money and flux, I crush it all can  
Soft hand... old shit down  
Brims town barnament, bucks, I puff a spliff down  
Big south quarter, my chucks with the fucks,  
My chevy been heavy, and heavy, rims ready with the  
skins  
Let them in nah brah, he never met me just learn  
Over a burny... cause you're...  
I'm merging from the bridge, with kids burglars from  
burners  
Burning ernie in the from seat, with the attorney workin  
on the mass case  
Cause your paper does not concern me  
Don't worry bout theburly brothers with me, they  
getting the cut  
Play defense like the taylor fit your feelings...  
Lemonade was a popular drink and it still is.
