(Goodman/Wallington)

Life is a riddle
And you're in the middle of love
Hey diddle diddle
Your heart is a fiddle for love
Over the moon that swings
In a preposterous sky
You'll see a cow with wings
Cause of the love in your eyes

You sit & twiddle
You're caught in the middle of love
Hot as a griddle
That is what is the middle of love
Whenever you fight that urge
Let that old blood pressure surge
Be like a kitten
Be happy you did it for love

Life is a riddle
And you're in the middle of skoo doody doo
Hey diddle diddle
Your heart is a fiddle for love
Over the moon that swings
In a preposterous sky
You'll see a cow with wings
Cause of the love in your eyes

You sit & twiddle
You're caught in the middle of skoo doody doo
Hot as a griddle
That is what is the middle of love
Whenever you fight that urge
Let that old blood pressure surge
Be like a kitten
Be happy you did it for love

No one forbid it
You better get with it
You're in the middle of
Love
