"When Sunny Gets Blue"

When Sunny gets blue, her eyes get gray and cloudy
Then the rain begins to fall
Pitter-patter, pitter-patter, love is gone, so what can
matter
No sweet lover man comes to call

When Sunny gets blue, she breaths a sigh of sadness
Like the wind that stirs the trees
Wind that sets the leaves to swaying, like some violins
are playing
Weird and haunting melodies

People used to love to hear her laugh, see her smile
That's how she got her name
Since that sad affair, she's lost her smile, changed her
style
Somehow she's not the same

But memories will fade and pretty dreams will rise up
Where her other dreams fell through
Hurry new love, hurry here to kiss away each lonely
tear
And hold her near when Sunny gets blue
Hold her near when Sunny gets blue
