Here in This Moment in Time
We Search For Wonders
For Miracles and Signs
Something to Satisfy
The Hunger in Us All
A Human Rage From Deep
Within the Soul
Like a Machine in Pursuit
On the Horizon Like a Raging Fire We Move
Driven By Questions In
My Endless Search For Truth
There Is a Stirring in Us
A Great Awakening Begins

Chorus

I Believe There's a Mighty Power
I Believe It's a Latter Rain
I Believe There's a Move of God
Calling Us All Higher
Oh, I Believe These Are the Days
Of the Great Awakening
The Days of the Great Awakening (yeah)

More Than Our Hearts Can Contain
It Is An Overflow of God's Amazing Grace
Coming to Reconcile a World That's Lost it's Way
Oh, All Consuming Fire Come Purify Us Once Again

I Believe There's a Mighty Power
I Believe it's a Later Rain
I Believe There's a Move of God
Calling Us All Higher
I Believe These Are the Days
Of the Great Awakening
The Great Awakening

There's no Containing
This Great Move of Restoration
There's no Chains, no Walls
No Boundaries, no Lines
Without a Doubt I Do Believe

If We'll Just Get Down On Our Knees
That Rain Is Gonna Fall
It's Just Matter of Time

I Believe There's a Mighty Power
I Believe It's a Latter Rain
I Believe there's' a Move of God
Calling Us All Higher
Oh, I Believe These Are the Days
Of the Great Awakening

I Believe There's a Mighty Power
I Believe There's a Lighter Rain
I Believe There's a Move of God
Calling Us All Higher
Oh, I Believe These Are the Days
Of the Great Awakening Yeah
Days of the Great Awakening
I Know These Are the Days
These Are the Days of the Great Awakening

I Believe There's a Mighty Move
I Believe
Days of the Great Awakening (yeah)
These Are the Days
