I Can Dream a Dream
The Dreamer Is Inside of Me
It's Just That Way
I Can Only Reach
What I Believe
Cause I Can't Reach
Beyond My Faith
No, I'm Not Limited By
What Has Always Been
It's Time to Break
The Status Quo and Take a Leap
And Jump Out of My Skin

Break These Chains
Open This Cage
Let the Lion Run Free
Destiny Awaits Beyond These Gates
Let the Lion Run Free
Let the Lion Run Free

Oh, to Face the Jungle of Impossibilities
And Have no Doubt
To Trust What I Can't See and Know
The Lion That's in Me
Will Lead Me Out
I'll Take the Challenge
Go Into the Great Unknown
It's Time to Wake This Giant That's in Me
Let Me Inhibitions Go

Repeat Chorus
