There is no love

I am a duplication
Innocently
I was conceived
So violently
There was no love
There was no love for me
There was only hatred

I am rape
I am hate
I am rape
I am hate

Every day I feel anonymous hate
Forever in the shadow of disgrace

I am rape
I am hate
I am rape
I am hate

I am so filled with pain
A bruised and darkened soul
Spare me from the life
That's full of misery

I don't want to live that way
I don't want to live that way

Every day I feel anonymous hate
Forever in the shadow of disgrace

I am rape
I am hate
I am rape
I am hate

I am so filled with pain
A bruised and darkened soul

Spare me from the life
That's full of misery

I am so filled with pain
A bruised and darkened soul
Spare me from the life
That's full of misery

I don't want to live that way
I don't want to live that way

I am so filled with pain
A bruised and darkened soul
Spare me from the life
That's full of misery
Spare me from the life
That's full of misery
Spare me from the life
That's full of misery

I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
