Baby I'm lonely
Do you think I could blame you
It would only be for a little while
Till I can see clearly
Till I can forget you
Let me kid myself for a little while

Time wasn't kind but you can be
It hasn't seemed right since you left me
And all of the times that you told me you cared
Were you lying

To ease your mind
I'll say it's okay
I think we're better off this way
To ease your mind
I'll say it's okay
I think we're better off this way, this way

Maybe I found out
Love isn't perfect
Or maybe it is
But I'm not so that is that
I searched the familiar
To give me some comfort
Now I'll hope that your happy where your at

Time wasn't kind but you can be
It hasn't seemed right since you left me
And all of the times that you told me you cared
Were you lying

To ease your mind
I'll say it's okay
I think we're better off this way
To ease your mind
I'll say it's okay
I think we're better off this way, this way

To ease your mind
I'll say it's okay
I think we're better off this way

To ease your mind
I'll say it's okay
I think we're better off this way, this way

This way, better off this way
