When I was eight years old  
The most important thing in my life  
Was the remote control  
And my best friend Super Mario

But my parents told me, I could be  
Anything I wanted to be  
So every night I prayed to God and said  
This is how my life should be

I wanna be a rock star  
Have a house in Beverly Hills  
Gonna get me a sports car  
And tickets to Disney Land's latest thrills  
I wanna be a big shot  
Doing brunch with movie stars  
Talking about their latest picture  
With Juila Roberts and Men from Mars

When I was eight years old  
I could not wait to play major league ball  
And fly to Mexico  
On a jet I build with parts I bought at the mall

But my parents told me, I could be  
Anything I wanted to be  
So every night I prayed to God and said  
This is how my life should be

I wanna be a rock star  
Have a house in Beverly Hills  
Gonna get me a sports car  
And tickets to Disney Land's latest thrills  
I wanna be a big shot  
Doing brunch with movie stars  
Talking about their latest picture  
With Juila Roberts and Men from Mars

I wanna be a rock star  
Have a house in Beverly Hills  
Gonna get me a sports car  
And tickets to Disney Land's latest thrills
