Go for it  
Bow to the supremacy  
Go for it at last

You do believe, so I can say  
That you are owned by me

Go for it  
Bow to the supremacy  
Go for it at last

You do believe, so let us pray  
For all those fools that be

Fool  
Dance with me again  
I am your destiny  
Mark my words, don't you ever disagree

Fool  
Kneel for me again  
I am your agony  
Walk my way, I will never set you free

Kneel for me unknowing fool  
Bow to the supremacy  
Kneel for me unworthy pig  
Die for the divinity

Go for it  
Bow to the supremacy  
Go for it at last

You do believe, so you display  
All that we want to see

Fool  
Dance with me again  
I am your destiny  
Mark my words, don't you ever disagree

Fool  
Kneel for me again  
I am your agony  
Walk my way, I will never set you free

Go for it

Just do it  
Walk my way just to serve me

Go for it  
Just do it  
Kneel for me and obey me

A humble genuflection for the onrushing ascendancy  
Not able to turn back anymore

Bow to me  
Bow to the supremacy

Kneel for me  
Die for the divinity

Bow to me  
Go for it  
Just do it  
Die for the divinity

Believing is the cure  
Religion is like opium  
You'd better feed them all  
Before they start eating you

Et fictum fit factum

Ne timeas obscurum  
Id autem cognoscas

Ne timeas obscurum  
Primum id cognosce  
Deinde iudica  
Post iudicandum demum age

[x2]  
Fool  
Dance with me again  
I am your destiny  
Mark my words, don't you ever disagree

Fool  
Kneel for me again

I am your agony  
Walk my way, I will never set you free

[x4]  
Go for it  
Just do it
