**Don't believe what you see,
believe in me,
and my reality.
I am a man of God...**

... God, can't you hear that I'm begging you?

**Don't believe what you hear,
believe in me
and I will reappear
salvation here at last...**

... at last someone to answers all my prayers.

Hope is a desert running dry
deep inside.
You refuse to face the facts
but pray for a life,
find salvations in distress.
We will wait
for the day you'll break out and re-awake.

Lies

Don't believe what you see,
believe in me
and my reality
eternity indeed...

...indeed it's the end all and be all there's...

...hope is a desert running dry
deep inside.
You refuse to face the facts
but pray for a life,
find salvations in distress.
We will wait

for the day you'll break out and re-awake.

Lies

Domine Jesu, demitte nobis debita nostra,
salva nos ab igne inferiori,
perduc in caelum omnes animas
praesertim eas, quae misericordiae tuae
maxime indigent.

In nomine Patris, et Filii, et Spiritus Sancti.
Amen

Living a lie

Human power
will devour
our senses,
bring us to forget.
Human sources will not save.
The power of faith
heals us all.

Hope is a desert running dry
deep inside.
You refuse to face the facts
but pray for a life,
find salvations in distress.
We will wait
for the day you'll break out and re-awake.
And we wait for the day
to discover there's no way.
I can't wait at this rate.
It's too little and too late
to live this lie.
