Don't believe what you see  
Believe in me  
In my reality  
I am a man of God

God, can't you hear that I'm begging you?

Don't believe what you hear  
Believe in me  
And I will reappear  
Salvation here at last

At last someone to answers all my prayers

Hope is a desert running dry  
Deep inside  
You refuse to face the facts  
But pray for life  
Find salvations in distress  
We will wait  
For the day you'll break out and  
Re-awake

Lies

Don't believe what you see  
Believe in me  
And my reality  
Eternity indeed

Indeed it's the end all and be all there's

Hope is a desert running dry  
Deep inside  
You refuse to face the facts  
But pray for life  
Find salvations in distress  
We will wait  
For the day you'll break out and

Re-awake

Lies

Domine Iesu, demitte nobis debita nostra,  
salva nos ab igne inferiori,  
perduc in caelum omnes animas  
praesertim eas, quae misericordiae tuae  
maxime indigent.

In nomine Patris, et Filii, et Spiritus Sancti.  
Amen

Living a lie

Human power  
Will devour  
Our senses  
Bring us to forget  
Human sources will not save  
The power of faith  
Heals us all

Hope is a desert running dry  
Deep inside  
You refuse to face the facts  
But pray for life  
Find salvations in distress  
We will wait  
For the day you'll break out and  
Re-awake  
And we wait for the day  
To discover there's no way  
I can't wait at this rate  
It's too little and too late  
To live this lie
