Can't move an inch
But for the act to
Leave fingerprints
Freedom Farewell
Look in the lens
Answer the questions
Are you a threat?

Nec plus ultra

After all the grabbing, it's time to bite the dust
Leave behind the breaches of my trust
Cleaning up the mess is up to us

Non plus ultra

Chorus:
Now that all hands are tied
We're panic stricken
Wealth out of sight
Demolition, the damaged pride
The Price of Ambition

Nec plus ultra

The current system leads to profit seeking deeds
Leave behind the traces of our blood
Now the course for change is up to us

Non plus Ultra

Chorus:
Now that all hands are tied
We're panic stricken
Wealth out of sight
Demolition, the damaged pride
The Price of Ambition

Access is now denied
We're panic stricken
Wealth out of sight
Intuition, forgotten guide

The price of suppression

Terre eos vi
Augearis
Perde eos vi
Nobis imperium

Can't move and inch
But for the act to
Leave fingerprints
Freedom Farewell
Look in the lens
Answer the questions
Will you behave as required?

When we think the end is here
With nearly all faith gone
There is hope along the way
And there a new age dawns

"None are more hopelessly enslaved than those who
falsely believe that they are free"
-Goetho-

Nobis Victoria

Non plus ultra

Chorus:
Now that all hands are tied
We're panic stricken
Wealth out of sight
Demolition, the damaged pride
The Price of Ambition

Access is now denied
We're panic stricken
Wealth out of sight
Intuition, forgotten guide
The price of suppression

Can't move an inch
But for the act to
Leave fingerprints
Freedom Farewell
Look in the lens
Answer the questions
Will you behave as required?

When we think the end is here
And our faith will disappear

"Chasing our addictions we're stunting our growth
Once we get rid of this ballast we'll be able to
Restore the balance and distribute our wealth"
