I. Impasse of thoughts  
I can't see you I, can't hear you  
Do you still exist?

I can't feel you, I can't touch you  
Do you still exist?

The Phantom Agony

I can't taste you, I can't think of you  
Do we exist at all?

II. Between hope and despair  
The future doesn't pass  
And the past won't overtake the present  
All the remains is an obsolete illusion

We are afraid of all the things that could not be  
A Phantom Agony

Do we dream at night  
Or do we share the same old fantasy?  
I am a silhouette of the person wandering in my  
dreams

Tears of unprecedented beauty  
Reveal the truth of existence  
We're all sadists

The age-old development of consciousness  
Drives us away from the essence of life  
We meditate too much,  
So that our instincts will fade away  
They fade away

What's the point of life  
And what's the meaning if we all die in the end?  
Does it make sense to learn or do we forget  
everything?

Tears of unprecedented beauty  
Reveal the truth of existence

We're all pessimists

Teach me how to see and free the disbelief in me  
What we get is what we see, the Phantom Agony  
A te spiritus noster devoratur et nostra anima capitur

I'm afraid of my own exchange of views  
What we get is what we see, The Phantom Agony

III. Nevermore  
The lucidity of my mind has been revealed in new  
dreams  
I am able to travel where my heart goes  
In search of self- realisation

This is the way to escape from our agitation  
And developed ourselves  
Use your illusion and enter my dream...
