(*Verse 1)

Speculate The Past & Gone
And Second Guess A Very First Impression
Under A Veil Of Fun & Light
Open Eyes Are Copping Out

(*Chorus)

Down I Lie Here, Ready To Believe
Place Down What Is Out Of Reach
Within The Burden Of A Thought To Haunt Me
Ignorance Is As Blissful As It Comes

(*Verse 2)

Bred Within Not To Think Twice
These Closeted Fascists Are Coming Out
When Too Truthful A Mood Outweighs A Lie
Balancing What Damages And What Is Right

(*Chorus)

Down I Lie Here, Ready To Believe
Place Down What Is Out Of Reach
Within The Burden Of A Thought To Haunt Me
Ignorance Is As Blissful As It Comes

(*Instrumental Solo)

I Lie Here
I Lie Here

(*Chorus 2x)

Down I Lie Here, Ready To Believe
Place Down What Is Out Of Reach
Within The Burden Of A Thought To Haunt Me
Ignorance Is As Blissful As It Comes

Down I Lie Here, Ready To Believe
Place Down What Is Out Of Reach
Within The Burden Of A Thought To Haunt Me
Ignorance Is As Blissful As It Comes
