Track: The Slightest Trace

Artist: Epidemic

Album: Epidemic

(*Verse 1)

If Not A Sign

If Not A Hint

Then At Least...

The Slightest Trace Of When The Day Begins

(*Chorus)

I'm Falling Behind

I Am Alive

But I Can't Seem To Breathe

I'm Bleeding Inside

Losing This Fight

As You Throw Me Away

(*Verse 2)

And If Not Today

Or Even Within Sight

((Ohhh)) For Those Whose Outlook On Life

Drowned In A Lack Of Light

(*Chorus)

I'm Falling Behind

I Am Alive

But I Can't Seem To Breathe

I'm Bleeding Inside

Losing This Fight

As You Throw Me Away

(*Verse 3)

All The While

Fighting These Symptoms
