She's says, "I'm dying every day,
Would you save me?
Would you pick me up and out of this pit?"
She says, "Darling, I can't recall
Why my chest insists to rise and fall."
As he's watching her eye-lids close
In the TV glow he can't helping thinkin' that
She's a tightrope walker
And he's the streets below.

So put you arms down, honey,
This ain't no execution,
I was just watching you sleep.
So put that crown down, sugar,
This ain't no crucifiction,
I was just watching you sleep.
I was just watching you.

She says, "I'm praying every day,
No one hears me,
No one gives a fuck about me and my pain."
She say, "Darling I can't recall
Why my hearts wants to beat at all."
As he's watching her eye-lids close
In the TV glow he can't helping thinkin' that
She's a tightrope walker
And he's the streets below.

So put you arms down, honey,
This ain't no execution,
I was just watching you sleep.
So put that crown down, sugar,
This ain't no crucifiction,
I was just watching you,
I was just watching you sleep.

I was just watching you sleep.
I was just watching you sleep.
I was just watching you wave me a goodbye.

So put you arms down, honey,

This ain't no execution,
I was just watching you sleep.
So put that crown down, sugar,
This ain't no crucifiction,
I was just watching you.
So put you arms down, honey,
This ain't no execution,
I was just watching you.
So put that crown down, sugar,
This ain't no crucifiction,
I was just watching you sleep.
I was just watching you.
