

Episode 13

"Hate Universe"

Visit "[Hate Universe](#)" on MotoLyrics.com

Bleed Bleed Bleed like a whore

Kneel on your knees, suffer more and more

Blood Blood Blood for salvation

Dead by now, creatures of hate universe

All shall die, an existence nonsense

Praise the sins and the intense feelings

Burning down all the morals and beliefs

Made of bones these secret tombs

The place where we break cosmic chains

Dead by now, creatures of hate universe

All shall die, an existence nonsense

Hate...
