Faster... footsteps fall upon Swain's lane  
Echoing... the frenzied turn to flight  
Alone.... Careless youths caution less  
Indurate... the sallow will carries on

Hallowed grounds for a hallowed home  
Deep Within the Highgate crypt

Privy by a chanced encounter fated by the glimpse  
The bitter loss of innocence upon the crimson lips

A year ahead... the lonely path is tread again  
A union made... and broken in the night  
Fears allayed... by thoughts of each and future plans  
Fears displayed... as darker thoughts are shown

Hallowed grounds for a hallowed home  
Deep Within the Highgate crypt

Held in thrall while the sweeter flesh is tried  
Filling the warm core with my essence

Always the same, to make a name, the "others" came  
A trophy of the highest order, to bring an end to the  
one  
The source of all, will not fall, what time itself ignored  
The folly of man to hunt a shade within the night

Set to work on a moonlit night  
In the haze of a predawn mist  
Not a sound but the clanging gate  
Swinging free by the northern wall

**FIRE IN THE NIGHT!**  
Lesser ones are put down  
As further into the crypt they seek  
With no sign and the thickening smoke  
They retreat to seal the way

**BURIED WITHIN THE VAULT!**

Fresh walls of cement and kneblasch permeate

Premature satisfaction as the hunters..... they abate  
Known to me alone this manse of mine and all its ways  
A safer route free from taint and burning rays

Safety... deep within barren soil  
Deeply.... dreaming of the next embrace  
Castled... and always one move ahead  
Hunting... the hunters using them as pawns

Hallowed grounds for a hallowed home  
Deep Within the Highgate crypt

Privy by a chanced encounter fated by the glimpse  
The bitter loss of innocence upon the crimson lips
