[Lyrics: Losicco '94]

As Trees Feel The Seasons Change  
So I To Day Must Pain Again  
Through Blackened Eyes I Watch  
The Passing Grains Of Eight Fall By  
By Northern Rites The Dawning Rays  
Do All But Glimpse The One Who Knows  
The Love Of Light Hast Died  
And Left Her Child To Fend For Life Alone  
I Rise  
From My Own Fall  
Unborn Upon This World  
Now Stands A Lord To All  
At Dusk The Shadows Fade Away  
With Light's Retreat To Darkened Numb  
The Silver Mistress Starts Her Rise  
And I Again Must Face The Night  
A Host To One And Bane To All  
The Times At Which I Feel it's Call  
Imparting Impure Spilling Life  
My Gauntlet Honed In Mortal Hide  
Hide Fools  
Your Thoughts Betray Your Life  
The Hunt Excites The Blood  
Which Bathes Your Flesh Upon The Tithe  
Upon Their Knees, The Impotent Pray  
Your God Has Come To Sate His Want  
Shepherd To Man As Lupus To Flock  
With Lambs The Sweetest Feast  
Primal Dark- Fills The Skies  
I Choose The One My Lusts To Try  
The Sucking-Sex, Now Stilled In Death  
While Near I Lay With Crimson Breast  
In My Unrest  
An Esoteric's Dream Of God  
The Crucified Have Died  
Through Doors Of Time My Will Revealed  
The Powers That Be Are Mine  
Eternity Reveals Itself  
Exposed I Transverse Time And Space  
Undead, Undone, Unlight Within

The Vortex Pulls Me In  
I Outlast The Oldest Star  
The Greatest Range Is Now To Dust  
My Voice Alone To Fill The Space  
Resound Me All Around  
(I Am) The Eyes That Look Through Frozen Tombs  
(I Am) The Hands That Claw To Reach The Moon  
(I Am) The Wings That Spread Beneath The Night  
(I Am) The Scarlet Lust Within  
The Final Ebb Of Tide  
The Fading Light Of Stars That Died  
The Barren Pond Of Faith-Divine  
Pass Through These Feral Eyes Of Mine
